PATIENCE CHALLENGE:

In what situations do you struggle most to have patience? Everyone write down at least one. Then help each other come up with some practical ways you can be patient when you're in those situations (e.g., playing the "find all the states' license plates" game on long road trips, or saying the alphabet backward when you're trying to keep your cool). Write down all your ideas, and when you catch each other losing patience this week, remind each other of your plan, and put it into action!

**Just for
FUN!**

The next time you're stuck in line, check out the app "Heads Up!" for a fun patience boost. (And Heads Up! Kids is great for younger kids!)
