

CONFIDENCE

WEEK 3

LIVING LIKE YOU BELIEVE WHAT GOD SAYS IS TRUE

MEMORY VERSE | Psalm 27:13

CONFIDENCE GAME:

Who do you think is the strongest in your family? Everyone take turns guessing who they think can beat everyone at the table at Thumb War. The person who gets the most votes must then take on everyone else at the table in the battle. If anyone else wins a battle, that person becomes the new challenger. Once you've determined who has the strongest thumbs around the table, talk about what it means to be strong in life and where our strength comes from. How does knowing that you're strong because of Who gives you power change how you live your life?
