LIVING LIKE YOU BELIEVE WHAT GOD SAYS IS TRUE

MEMORY VERSE | Psalm 27:13

CONFIDENCE CHALLENGE:

What is the hardest thing you will face this week? Learning a new sport or heading off to your first overnight camp? Or maybe you've been struggling to get along with your brother or sister or to obey your parents? Do you have an idea to help someone else, but you're not sure you can pull it off? Whatever you're facing that's a challenge, write it down on a sheet of paper, and then everyone share what you wrote. Talk to God as a family and ask Him to give you the confidence to accomplish what seems impossible this week. Everyone should then fold up their sheet of paper and put all the pieces in a glass jar. On the outside of the jar, write "What God says is true." Stick the jar somewhere everyone will see during the week. Next week, pull out the pieces of paper and talk about how God gave you confidence to do the hard things.
