LENDING A
HAND TO HELP
SOMEONE ELSE

MEMORY VERSE | Mark 9:35

HELPING HANDS:

During mealtime today, everyone is going to serve. Make it a goal that—other than feeding yourself—no one should do anything for themselves. If someone is setting the table, grab some silverware and help! If someone is carrying plates to the table, help! If someone needs the salt, hop up and get it. If someone needs seconds, grab their plate and serve them. When it's time to clean up, it's all hands on deck—everyone should work together!

As you clean off the table and wash the dishes, talk about how much more enjoyable dinner was with everyone helping. Did you find yourself talking more... enjoying each other's company more? Who normally does most of the work at mealtime? How did that person feel to have more helping hands? What act of service was not helpful and would that person like repeated at future mealtimes?

FUN!**
