

PERSEVERANCE

REFUSING TO GIVE UP WHEN LIFE GETS HARD

MEMORY VERSE | Isaiah 40:31

SMOOTH AS BUTTER:

For this 'round the table game, you'll need a couple of supplies: heavy cream, a mason jar and lid, and salt or honey (optional). Before you sit down to eat, fill the jar halfway with the cream and put the lid tightly on the jar. Then take turns passing around the jar and shaking as long as you can. Don't give up. . . it will take a bit of time, but with some perseverance, you'll soon have delicious homemade butter on your hands! (For more details on the process, look online at a recipe like this one: <http://bit.ly/2SV18bW>)

As you keep shaking, share your thoughts about perseverance with each other. . . maybe a favorite quote ("By perseverance, the snail reached the ark"), or even look up some of these famous influencers who never gave up: Abraham Lincoln, Albert Einstein, Dr. Seuss, Michael Jordan, and Gabby Douglas.

Just for FUN! *Make or buy some fresh bread to slather with that creamy butter!*
