

# Generosity

*Making someone's day  
by giving something away*

WEEK **3**

MEMORY VERSE | 1 Timothy 6:18

## GENEROSITY GAME:

Take turns going around the table, sharing something related to the meal that would make your day. Maybe you're the one who always cleans the dishes and it would make your day to not have to do that. Or maybe your family is having your mac and cheese – your favorite! – and it would make your day if someone shared their serving with you. After everyone has shared, take turns volunteering your time/energy/food, etc. to fulfill each other's wishes and make each other's day! (Be sure and show some gratitude for all the generosity too!)

**Just for  
FUN!**
