## GENEROSITY CHALLENGE:

It's probably too cold for a lemonade stand, but what is something your family could do to raise money to help someone in need, or a worthwhile organization? Use this guide to help you figure out a plan!

- Who needs our help?
- What do they most need?
- Do we already have what they need?
- If not, how can we get it?
- Can we get others involved?
- What supplies will we need?
- When can we make this happen?

If your family takes on this challenge, be sure and share what you do with others and on social media to inspire some more generosity, and tag [@parentcue](#) if you do!

**Just for  
FUN!**
