

# Generosity

*Making someone's day  
by giving something away*

WEEK 5

MEMORY VERSE | 1 Timothy 6:18

## FOOD for THOUGHT:

The airline WestJet pulled off a Christmas prank that had everyone smiling, especially 250 of WestJet customers. Santa and 175 WestJet volunteers got together to find out what the travelers Christmas wishes were, and then they worked hard to fill those wishes by the end of the customers' flights. From wishes of socks and underwear to flat screen TVs... would they pull it off in time?

Which of the gifts would you have wished for? Which of the gifts would you like to give to someone you love? You probably can't fulfill all of someone's wishes, but what are some things you can share to make someone's day? Think "outside of the box" (or gift bag!) – what are some ways you can show generosity even after Christmas is long gone?

Just for
