

# STEWARDSHIP

WEEK 3

TAKING CARE  
OF WHAT  
YOU HAVE

BECAUSE IT  
ALL BELONGS  
TO GOD

MEMORY VERSE | Luke 16:10a

## STEWARDSHIP SUPPER:

There are so many ways to use our time, money, and things to honor God and to make the world a better place. Play this twist on the alphabet game as a family: starting with "A," list ways someone could practice stewardship (e.g., Adopt a rescue animal, Bike to school, etc.) If you get stuck on a letter, just skip it — don't want to waste time after all. 😊

After you make it through the alphabet, each family member should choose one thing to do this week, or your family can choose one thing to do together!
